The Honorable Bob Latta
Latta for Congress
P.O. Box 106
Bowling Green, OH 43402

Dear Representative Latta:

National Right to Life is pleased to endorse you for re-election to the U.S. House of Representatives. We strongly commend you for maintaining a perfect 100% pro-life voting record throughout the 116th Congress.

You voted in support of the *Born-Alive Abortion Survivors Protection Act*. This legislation would require that a baby born alive during an abortion must be afforded the same degree of care that would apply to any other child at the same gestational age.

You support the *Pain-Capable Unborn Child Protection Act*. This Act would protect unborn children at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

You oppose using tax dollars to pay for abortion, and you oppose taxpayer funding of abortion providers.

You are a strong advocate for life. This endorsement reflects your commitment to strengthening a culture of life throughout our nation and in the U.S. House. We look forward to continuing our important work with you to protect the most vulnerable members of the human family – unborn children, the medically dependent, and persons with disabilities, whose lives are threatened by abortion or euthanasia.

All voters who are concerned with the right to life and with the protection of the most vulnerable members of the human family should vote to return you to the U.S. House, so that you can continue to work to advance vital pro-life public policies.

Sincerely,

Carol Tobias
